# SIDEKICK 3 VS MOTO Q

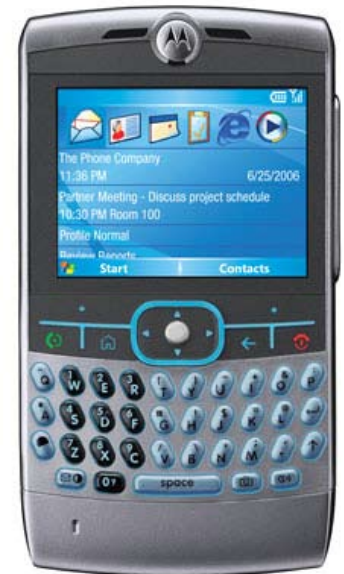

by **Kenneth Bufkin**

It's summer and what's hotter than making sure that your mobile technology is up to date? There are two new hot items on the market this year: The Moto Q by Motorola and the new Sidekick III. These phones have unquestionably brought the newest technology right to the palm of our hands. They're a very clear sign of how advanced cell phones have come from their gigantic predecessors of the 90's.

The Moto Q and the Sidekick III are both QWERTY based phones (have fully functional keypads). This seems to be the new "in" thing for 2006. Both phones are Bluetooth enabled, with internet capabilities, speakerphones, and a 1.3 mega pixel camera with video recording functions, it's the combination everyone lives for.

Now for the fun part... Which one is the "must have" phone for 2006? Well let's see. The Q has a 320x240 pixel display screen while the Sidekick has a 240x160 pixel display. I don't know about you but in this case, bigger is certainly better! While the Sidekick III has AIM and Yahoo instant messaging, the new Q phone has Windows Multimedia messaging which gives you the power to send, not only text messages (formatted with fonts, colors, etc.) but Images (JPEG, GIF format), Audio (MP3, MIDI) and Video (MPEG). The light weight Q is under 5 ounces while the heavy weight champion, meaning Sidekick III, weighs in at 6.7 ounces. The picture caller ID on the Moto Q only adds to its many attractive assets. It's always great to be greeted by the smiling images you welcome when getting a call from that special somebody. This feature is appreciated even greater when the picture displayed warns you of the person you've been avoiding. The keypads also differ whereas the Sidekick's buttons are backlit while the Q has electro-luminescent keys which makes them easier to see in the darkest of places - a lifesaver for those like myself that have vision problems and value a bright, noticeable keyboard.

This, in all honesty, is what I think is going to be the determining factor for many... THE FLIP. The Sidekick III's trademark flip screen is obviously alluring to many but, maybe it's time for a change as so proven by Motorola's modified new gadget. In my opinion, the Q offers a more sophisticated wireless experience. No more appearing as if you're playing video games when you are actually sending an extensive business related message. The sleek Q fits snugly close to your hip and is barely noticeable in comparison to the colossal Sidekick III. So what will it be? The mature and professional brilliance of the new Moto Q by Motorola or the fashionably modernized trend of the Sidekick III?

The decision is yours, ladies and gentlemen. Just be sure to do your homework when determining which phone better suits you. Whether you know it or not, someone's checking you out and your phone.

# The 10 FLAVA Perfect Summer HOT BOYS

By Frank Leon Roberts  
(Frank Mizrahi)  
with consultation by  
Father Harold Balenciaga,  
Jacen Prodigy,  
Kevin Prodigy,  
Kai Balenciaga,  
Tygur Khan,  
Derrick Allure and  
Jamal Milan

Whats behind a pretty face and bulging bicep? We wanted to know. Each month Flavalife highlights men that embody the perfect combinatin of brains, beauty, and showmanship. Last month we highlighted Whitney Mugler, Twain Mizrahi, Dash Prodigy, Raphael Allure, Darryl Prodigy, JT Mizrahi, Dante Aphrodite, Derrick Allure, Pony Blahnik and Rico Allure. This month the series continues with a whole new batch of "perfect 10s". The following guys are much more than just "eye candy", their specialness lies in the fact that they're positive men of color in the scene that are doing great things with their bodies and lives.

**1. Jerome Balenciaga**  
Washington, D.C.  
Category: Sex Siren

By the time Jerome Balenciaga walked Team Sex Siren with Leon Khan at the 2004 New York City Latex Ball he was already a superstar. Winner of the sex siren "of the year" title in D.C., Philadelphia, and New York City, Jerome is without a question the ballroom's top sex-siren competitor right now. A homegrown product of the house of Balenciaga, in May of 2006 he became the first male sex siren competitor in ballroom history to win \$1,000 for the "Butch Queen Sex Siren" category. But like all of the men highlighted here, what makes him worthy of praise is the fact that he is a young, attractive, man of color that is doing positive things with his mind and life. A former Military cadet, he's traveled the world and continues to work hard in school and with his job. After a brief stint in New York, he's back in D.C., with no signs of hanging up his coat anytime soon. His personal mottos? "Only walk when you feel you're at your best" and "When you walk; walk to win."

**2. Elliot Milan**  
Houston, Texas  
Category: Sex Siren, Body

Over the past six years we've watched 24 year old Elliot travel from Chicago (first as Father Infiniti and later as an Allure), Atlanta (as a Milan) and now Texas (where he currently resides). Always a favorite for sex-siren and body, he's one of the few guys that's never gown "out of style"; he's always a crowd pleaser. In his spare time he models, and is currently a student at Texas Southern University studying Biology.

**3. Ruben Mizrahi**  
Ponce, Puerto Rico  
Category: Face, Sex Siren, Body,

Born in Ponce, Puerto Rico and raised in the boogie down Bronx, Ruben Mizrahi is sometimes called the "posterchild" of the House of Mizrahi because of his charisma, charm, humor, and striking good looks. A full-time student at the well known Sarah Lawrence College (whose alumni include Alice Walker and Robin Givens), Ruben is also founder of a young men of color fraternity entitled "Gamma Phi Q" which targets urban gay men in New York City. After only two years in the ballroom scene, heads turned when Ruben was named Father of the New York City chapter of the legendary House of Mizrahi. It looks like that was a good move: since then, he's been unstoppable for Face and Sex Siren and took home three awards at this May's New York City Awards Ball: Sexiest Man of the Year, Models Magazine Face of the Year, and Overall Man of the Year.

**4. Trevon Khan**  
San Diego, California  
Category: Models Body

Coverboy Trevon Khan (recently featured on the front cover of New York City's popular urban gay guide, HX Magazine) is one the ballroom's most respected body boys. There are very few competitors for the men's body category that hold Trevon's credentials: 5 times a winner of the coveted "Of The Year" title in Philadelphia at the Dorian Corey Awards and 3 years "Of the Year" at the New York City Awards Ball. In 2000, he became Father of the New York City chapter of the legendary House of Khan. A recent college graduate (he studied webdesign), Trevon is now taking classes at New York City's popular Fashion Institute of Technology and works for HX.

**5. Jamal Milan**  
Newark, NJ  
Category: Legendary Old-Way;  
Legendary Face with Performance; Face  
over 30

If there was a "most well liked" award in the ballroom scene, Jamal Adonis Milan would be a easy sweep for grand prize. This Newark native is unquestionably one of the ballroom's favorite personalities and, as Jack Mizrahi always acclaims, "the blueprint of face with performance". His ever-growing list of ballroom achievements include winning the title of "Oldway of the Year" five consecutive years in a row in New York City (2001-2006) and recently in Philadelphia (2006), as well as "New Jersey's Finest" in 2002 and 2006 and "Legend of the Year" in 2003. But it doesn't stop there. An extremely talented singer and songwriter, Jamal's big break came on the 1991 Bodyguard Soundtrack (yes, that Bodyguard Soundtrack) where his group Soul System was featured. Since this, he's also been featured in the award-winning off-broadway production of "When a Man Loves a Woman" which recently toured the country. With accomplishments like these it's hard to figure how just how he manages it all. But the best part of it all is that it looks like it's just the beginning.

**6. Manny Mizrahi**  
Bronx, New York  
Category: Masculine Face, Sex  
Siren, Body

Navigating the world as a half Korean, half Puerto Rican bodybuilder that speaks three languages (Korean, Spanish, English) seems like an impossible task. For Manny Mizrahi its just everyday life. This "dream guy" first stepped onto the scene into 2004 at the House of Khan's "Heritage Ball" at NYU where he sat down the then reigning sex siren, Rico Allure. Nowadays he manages his multiple worlds (and identities) as a health aid for disabled people at an elderly center in New York City, a personal trainer, and a swimsuit model. Currently a Mizrahi, Manny is focusing more on his professional career right now but we foresee a shocking returning in the very near future.

**7. Martin Balenciaga**  
Washington, D.C.  
Category: Muscular Body; Sex  
Siren

27 year old Martin Balenciaga is definitely that new "buzz" from Washington, D.C. Though he's been in the scene for a few years now, its been within the past year or so that his presence has come to dominant like never before. He represents the absolute best of the ballroom in terms of his humble attitude and positive demeanor;

reserved wisdom; and classic good looks. Plus, c'mon now, the brother has body out the back door! When he's not destroying all the competition in the Muscular Body category, he's busy training clients in D.C. as a sought-after personal trainer.

**8. Rich Prodigy**  
Richmond, Virginia  
Category: Prettyboy Realness

At one point in time, Rich Prodigy was "the" prettyboy realness ruler. Little has changed. After moving from his long time home in Philly to the Virginia, he's still a crowd favorite. When he hits the floor there are few that stand a chance. From PrettyBoy Realness to Sex Siren, Rich is always one to watch.

**9. Zeric Miyake Mugler**  
Miami, Florida  
Category: Face

Where do we begin? Zeric Miyake-Mugler was deemed Miami's "it boy" for several years, has multiple "Of The Years" awards, and is of course the newest poster boys for VIBE magazine. Zeric is the epitome of Butch Queen Face: statuesque, stoic, and stunning. When he enters the ballroom his competition shudders at the thought of competing against him: when he steps on the runway he has little to no competition.

**10. Joseph Balenciaga**  
Detroit, Michigan  
Category: Sex Siren

Kenyon Prodigy could probably part an ocean all by himself with his just his big, bright smile. The light brown, coco-skinned, charismatic athlete has been the crown jewel of the legendary House of Prodigy for the past year and a half. In 2006 he moved to Chicago and is now taking the Midwest scene by storm just like he did New York and Philly last year. We're looking forward to what's in store.

**11. Kenyon Prodigy**  
Philadelphia, Pennsylvania  
Category: Sex Siren

Kenyon Prodigy could probably part an ocean all by himself with his just his big, bright smile. The light brown, coco-skinned, charismatic athlete has been the crown jewel of the legendary House of Prodigy for the past year and a half. In 2006 he has been taking the midwest by storm just like he did New York and Philly last year. We're looking forward to what's in store.

# The Summer Buzz: Who to Watch, Faces to Look Out for In 2006

By Frank Leon Roberts  
(Frank Mizrahi)  
with consultation by  
Jacen Prodigy,  
Kevin Prodigy,  
Ruben Mizrahi,  
Harold Balenciaga,  
Kai Balenciaga,  
and Jamal Milan

1.

## Amiyah Mizrahi

Amiyah Mizrahi has accomplished more at 17 years old than what some ladies accomplish in their entire ballroom career. Few female figures can say that in just their first year they sat down or went head-to-head with the likes of Cheyanne Allure, Stasha Mugler, Tempress Mugler, and Rose Chanel. If Amiyah stays focused, keeps her house near, and plays her cards right, she truly seems destined to be one of the first kids of this newest generation that is headed straight for the Hall of Fame. That's a lofty prediction for a girl that is yet to reach 18, but based on her impact, poise, and grace, it seems like shoes she's ready to spend a career filling. While Amiyah has only been walking for six months we should look forward to seeing her dominate her category for many years to come.

2.

## Mike Balenciaga

Sitting down Jeremy Revlon at the 2006 Summer Celebration Ball changed everything for this man. He's come quite a long way since his earlier days as one of the young face boys of the legendary House of Aphrodite. Always known for his striking features and beaming glow, nowadays he seems a bit more mature and a little more refined. The new move to Balenciaga also seems to have helped: since May, he's already won two majors titles: Grand Prize at the Khan Ball and Grand Prize at the Summer Celebration Ball. This summer is going to be crucial for him in terms of establishing himself early on as a favorite for next year "Of The Year" title. Mike Balenciaga vs. Ryu Aphrodite vs. Luna Khan? Now that's a Latino face diva battle that we have not seen in a while.

3.

## Japan 007

The rulers of Butch Queen European Runway have almost always been New York City or Baltimore divas. Rarely have the Chicago kids received top billing status nationally against the eastcoast children. But Japan Manolo Blahnik seems to have something up her sleeve. From winning over the Icon himself, Andre Mizrahi at the Kentucky Awards Ball, to sitting down Antar Prodigy at the Khan Ball in D.C., Japan has not let her ongoing "on-again; off-again" status with the House of Manolo Blahnik effect her overall ballroom impact. While it remains to be seen what house she'll go to next, one thing is for sure: she's earned her status as that "new bitch" for European Runway both in and outside Chicago.

4.

## Kimora Allure

One of the crown jewels of the House of Allure, its only matter of time before this woman starts walking "face". The smoky Egyptian eyes, the long, giselle-like features, few ladies in the scene give you the elusive, exclusive presence of Kimora. Following in the tradition of previous ladies in the house of Allure such as Tempress, Tyra, and of course Mother Cheyanne, Kimora will be the next to inherit the Allure legacy. Mark our words, she's going straight to the top!

5.

## Jorge Mizrahi

A 21 year old gymnastics coach and Oakland native, Jorge Mizrahi really started to get popular after he won the 2006 Jasmine Coutour Collections Ball in New York City. Since then he's been the biggest buzz of the town. Maybe it's that petite little waist (size 28!), the smooth toned muscles, the cafe au laite complexion, or some combination of all three---but whatever it is, one thing is for sure: Jorge's presence has been sending the kids wild lately. Even in a house thats already jammed packed with sex sirens (The Mizrahi bloodline already includes Ruben, Manny, Baby, Twain, Chuck, JT, among others) Jorge stands alone right now as this summer's hottest Mizrahi creation.

6.

## Zoliy Miyake Mugler

Talk about sudden impact! Two years ago the All American Runway category was a continuous back and forth between three men: Twain Miyake Mugler, Kai Balenciaga, and Derrick Allure. However, when Zoliy Mugler burst on to the scene in mid-2004 as a Masaai he brought a new approach to this previously overlooked category: a little more high fashion, a little more European, a little more "cunty." Apparently, the formula was genius: he's been unstoppable for the past year and recently took home the "Of The Year" title in New York City, edging out D.C. favorite Derrick Allure. If he keeps this pace up, he'll surely be the official "man to beat" for the All American Runway category. Lets see what happens at the Latex Ball in August.

7.

## Lil Black Girl Evisu

Who could forget this bitch's deadly catwalk at the 2006 Midwest Awards Ball? "Lil Black Girl" Evisu, previously known as Duwan Khan, got her start a few years back in the mid-2000s with the old Khan clan (Foxy, David, Champaigne). But with her move to the House of Evisu in 2005 we've seen something bigger and better in her. From her show stopping "side man" production for Leo Evisu's 2006 POCC Performance, to her grand prize winning battle at the New York City Awards Ball, Lil Black Girl seems like she is destined to be a household name by early next year.

## Miranda Blahnik

8.

Giving you bangee-cunt, Puerto Rican mama from around-the-way flava, Miranda Blahnik is just finally starting to get the attention she's long deserved. With her wins for femme queen sex siren in both D.C. (at the Khan Ball Memorial Day Weekend) and New York (at Andre Chanel and Ross Infiniti's Summer Celebration Ball), she's the hottest femme queen in the House of Manolo-Blahnik right now. Can we see Miranda vs. Barbie Mizrahi for a "perfect 10" showdown? Now THAT would be hot.

9.

## Martin Balenciaga

Hailing from the District of Columbia comes what most would consider the Poster Boy for BQ Sex Siren. Martin Balenciaga is the perfect combination of sex appeal, and masculinity, and possesses a physique that brings even the most worthy competitors to their knees. His laid back, B-Boy style creates an atmosphere of mystery and keeps the scene wondering what he will come with next. Martin has established himself as a true heavy hitter in both sex siren and body, and always leaves a lasting impression when ever he graces us with his presence. This looks like the next Taz Omni if you ask us.

10.

## Durrell & Jason Chanel

These two runway boys first made the ballroom know it at the 2006 New York City Awards Ball where they stormed Of-The-Year European Ruler Caliente Mizrahi. The newest elements to the re-vamped House of Chanel, Durrell and Jason are two kids to definitely look out for in the upcoming year. Durrell's Awards Ball win, along with his head-to-head re-match battle with Caliente at Andre Chanel's Summer Celebration Ball, makes him the most promising contender for ballroom superstardom in 2006/2007.

11.

## Tygur Blahnik Khan

When you think "Catboy" Sex Siren one feisty feline comes to mind... Tygur Khan. From his playful cat like antics, to his exotic feline features Tygur truly stands in a category all his own. In his first year he brought fire to a category that had been characterized solely by masculinity, and made it okay for sex-sirens to be soft and sexy. The new move to the House of Khan shocked a lot of people (everyone assumed that he'd be moving to Mizrahi or Mugler) but it seems like a choice that was definitely well conceived.

12.

## Randy Balenciaga

Yet another one from the Balenciaga camp. Randy's popularity has steadily risen ever since his win last year at Jack Mizrahi's Superball Sunday where he brought it as a preppy, polo, prep-school boy. His classic "old school" looks, and bright smile has been a formula for success. His David Lachapelle-like effect for the POCC Ball 2006 speaks to the kind of creativity and originality this man is capable of. In a moment when some of the newer face kids are hiding behind the "club kid carta" category, Randy's got the ability to shine with or without all the glitz and glam.

# Summer 2006 House Spotlight

## The Legendary HOUSE OF ALLURE

**Founded:** 1989, Washington, D.C.

**Chapters:** DC, VA, MD, ATL, NYC, IL, LA

**Parents:** Al Allure and Cheyanne Allure

**Board Members:** Thaddeus (IL), Keonte (MD), Corey (NY), Glenn (ATL), Enrique (MD), Issey (Public Relations), Tabias (Godfather), Arnold (LA), Malik (NJ), Robert (NC)

The House of Allure is back (not that it ever really left) and it is on fire. With vogue femme divas like Ricky and Jailo, runway rulers like Derrick and London, face goddesses like Michel'e, realness ladies like Kimora, the leadership of Loyd and sexy boys like Raphael, Khary, Nick, Corey and Al, Allure is of the ballroom's classiest, elusive, "fab-glam" houses. Founded in Washington, D.C. in 1989 by then Al Aviance, the house is one of the few in the scene to actually have its name trademarked. Throughout the years the house has birthed beauties such as Tempress, Tyra, and Cheyanne and sex-sirens such as Elliot Milan. With chapters in DC, VA, MD, ATL, NYC, IL, and LA, the house has solidified its national presence and is always serving; always done. We're expecting an "alluring" summer from them.

# HERCULES

The most popular of Greek heroes, Hercules was celebrated in stories, sculptures, paintings, and even in the geography of the ancient world. The most famous and most beloved hero of ancient times, Hercules was worshipped in many temples all over Greece and Rome.

If the Hercules of ancient times was anything like this one, it's easy to see why. Missouri, where this phenomenally built brother hails from, is the "Show Me" state – and Hercules shows us why Midwest is best, for real; who wouldn't want a piece of this beefcake? A strong, lean, medium-skinned and sexy-as-all-get-out football lover, the smoldering bodybuilder (with the light brown eyes that could have charmed many a siren in ancient times) gives FlavaLife readers a taste of what it was like when gods once existed ... and for real, why they were worshipped.

Hercules works that phyné physique both in his work life and in private gym sessions – but in reality, the bed is where freakiness gets out of hand once in awhile ... but overall, he'd rather just share it with one special woman. That's right, male readers, break out the Kleenex now – this one is as straight as they come ... a true lover of women who – though admittedly a breast man – prefers his ladies not only attractive, but also with a brain and a sense of humor. It takes more than a pretty face and a nice set of hooters to spin the head (either one) of this built, brawny brotha – but once you do, expect nothing less than poetry from the guy, written especially for the lady he loves ... and probably recited over a wineglass filled with grape soda, Hercules' favorite drink. A contradiction in testosterone-filled sexuality and the romantic nature of an old-fashioned suitor, the 29-year-old easily uses those eyes, that body, and his natural charm to seduce any willing sacrifice into the pool (which he's already made love in, once) – but instead he awaits the one special lady to serve, and be served by, as befitting a god.

The original Hercules was made to perform twelve Labors in order to prove his worth – tasks so difficult and deadly, they were given to Hercules with the intention that he fail. His struggle to complete the tasks, which he did indeed do, made Hercules the perfect embodiment of an idea the Greeks called pathos – the culmination of virtuous struggle and suffering that would lead to fame and, in Hercules' case, immortality.

We think this Hercules equally deserving of such an honor, and are proud to present this god to the modern world for worship – even in this more "PG" setting!

A'right, Sleepy-head, time to get up.

Just five more minutes, Baby.

**Surprise!**  
That's right Baby. We just hired Wes to shoot our New model.

Okay, Harry, you can either sleep the entire day away or get up, get dressed, and see the surprise I've got lined up for you.

The photoshoot will be in **Love Park**. Afterwards, you and I are going on a *horse-and-carriage* ride, then dinner and a play.

Looks like you have everything planned.

You better believe it Mister.

**Ha Ha Ha Ha Ha**

Last one in the shower is a rotten egg!

Hey, no fair, you steal the hot water!

...and your heart.

**POP'S DINER**

Okay, I get that you're over the secrets and lies with Devin, but Harry, don't you think *Ole Boy* is over-compensating just a little?

He is trying way too hard.

Naw, Hunter, you guys are all wrong. Things haven't been better between us. We're past all that other stuff. We're good!

Oh, I hope so Honey.

We gotta hustle. We're supposed to be there by 7:00am.

Playas play-on!

**LOVE PARK Philadelphia, PA**

There he is now.

Yo Devin! Over here!

Harry, your man is looking pretty chummy with that hot model.

Devin's in the shoot.

Hunter, don't go reading too much into it.

I see your entourage has showed up.

That's my man and his crew. So please, if it's not asking too much - *behave yourself*.

Did you tell him about us?

There is no us, Ancient History B.

History has a way of repeating itself.

Quit trippin'. C'mon, I'll introduce yall.

Hey, Harry, this is *Baby-Boy*, the New model, I've been telling you about. And B. this is *Harry, Drew, Hunter and Wes*.

Cool! Nice to finally meet you *Baby-Boy*.

So, this is the guy who's won Devin's heart. I'm jealous.

Okay guys, let's get ready for a wild ride.

Harry, you thinking what I'm thinking?

Unfortunately, yeah, Drew, I am...

...if you're thinking, *here comes trouble*.

# The GOP, Marriage Bans and Blacks...

Let's Not Go Down This Road Again

by Jasmyne A. Cannick

You know it's an election year when gays become the topic of conversation at the White House.

Not satisfied with dividing the entire country over immigration reform, for extra added insurance, President Bush has decided to bring up the issue of banning marriage for

lesbians and gays...again.

In his weekly Presidential address, the President reconfirmed his commitment to banning marriage for gays in America. Citing that "marriage is the most enduring and important human institution, honored and encouraged in all cultures and by every religious faith," he went on to say that, "an amendment to the Constitution is necessary because activist courts have left our Nation with no other choice."

We've been down this road before and it wasn't pretty.

In 2004, thirteen states, including Ohio, Mississippi, Georgia and Michigan, passed amendments to their constitution defining marriage as a union between a man and a woman. The Black leadership allowed right wing conservatives to come in and message directly to African Americans on gay marriage and supporting the re-election of President Bush because he would protect America's morals. Seemingly, Black pastors allowed their congregations to be bought with faith-based money in the guise of protecting the institution of marriage.

And where did all of that get us? Absolutely nowhere.

There is still a disproportionately number of Black Americans that are still unemployed, disenfranchised, uneducated and uninsured.

Two years ago, the Black leadership failed African Americans by not exposing Bush's political pandering for what it was. Choosing instead to focus on the war on terrorism, the economy, education, healthcare and affirmative action, they didn't see gay marriage as an issue they were ready to tackle.

We simply cannot afford to have that attitude today.

Like in 2004, but even more so today, there is simply too much at stake for us to be bamboozled into taking up an agenda that is not our own or in our best interests.

Look around you.

Are lesbians and gays the cause of the gang violence that is suffocating your neighborhoods? Are gays the reason why you can't afford decent health care? Are gays the reason that your child's school is under funded and that the minimum wage hasn't been raised?

No.

Just like you, gays are trying to make it day to day and provide for their families. Black gays who tend to live where Blacks live in general and have the same economic characteristics as their heterosexual counterparts, are dealing with the same issues that most Blacks are.

We cannot afford to alienate any part of our community going into the 2008 Presidential election. We need every person at the table, heterosexual and gay.

We are going to have to get over our homophobia as a community. We all have a relative, co-worker, or friend who identifies as lesbian, gay, bisexual or transgender.

And no matter how you feel personally about gays, at the end of the day, they are not the source of what's wrong with this country, President Bush and his right wing conservatives are.

Members of the Congressional Black Caucus, the Black Church and our traditional Black institutions like the NAACP are going to play a crucial role in exactly how far the GOP is able to sink its tentacles into our communities. If they continue to be silent on this issue and still see it as a non-issue while the rest of the country uses our votes to further their political agenda, then we are doomed to see a repeat of four years ago.

You don't have to support equal rights for gays to not support the GOP's bigoted agenda. It just means that this time around, we aren't falling for the old divide and conquer scheme.

Marriage bans, like immigration, continue to be one of those issues that GOP political strategists love to pull out their cloaks when all else fails. As Blacks, we know firsthand who stands to benefit the most from our community being divided, and it's not us.

In closing, I pose the following questions: Was the judge who presided over Loving v. Virginia, the landmark case that allowed whites and Blacks to get married, an activist judge? Were the courts being activists when it decided that Black children could go to school with their white counterparts? Was it activism extending the right to vote to Blacks? No. It was an attempt to try and right the wrongs this country had committed against a group of people. Sound familiar? ■

## ASK BRANDON

by Brandon Cash

Email your questions to be answered by Brandon Cash to [brandon@flavalife.com](mailto:brandon@flavalife.com)

**1** I've got a vacation coming up in a few weeks and I wanted to make a trip to somewhere that I can buy a lot of shit (clothes, Timberlands, you know) but not come back broke. Any suggestions?

New Jersey. Hands down Jersey is the best place for shopping regardless of what you want. For your particular needs, I'd suggest heading through Newark. I was there a few years back and did more shopping in one day than I'd done in my entire life to that point. A lot of the stores you'll be looking for are going to require that you keep a sharp eye, or maybe even ask someone, but it'll be worth the extra effort. Just for example, I struck up a conversation with one dude and asked him where I could get some Timberlands from cheap? He was more than happy to show me around (and take me home, but that's a story for another time). He took me to a place called Mr. A's that was in between two other stores (imagine a three story house). I walked out with two pairs of size 13 Timberlands, 2 pairs of Old Schools and like 4 outfits for less than two hundred dollars (I think I spent about \$150). Plus, New Jersey doesn't tack on sales tax.

**2** My boyfriend is constantly complaining about money. It seems like the more I give him the more he needs and it's something different every week. I don't know if he's using me or just fell on some hard times and it's really hard to tell. I don't want to cut him off without knowing for sure first, but I haven't seen dime one in repayment...in fact, he hasn't even mentioned giving it back at all! I really need a little help on this one.

Well, it's hard to tell. First thing you should do is make sure your man ain't hittin' the pipe...He's not? Good. Alright then, he's not a junkie so he very well could have just fallen on a rough patch in life, which happens to all of us every once in a while. Support your man and it'll pay off in the end. Now, don't mistake 'supporting your man' for 'supporting a grown ass man'. If it gets to the point where you don't have any money for yourself because he's spending it all, then it may be time to seriously evaluate your relationship. How long has he been asking you for funds? Does he have any proof of what he's been buying? If he can't show you something to set your mind at ease that he's using the money for what he said he would, than kick his god diggin' ass to the curb.

**3** I'm a HUGE reader and I haven't been able to find anything recently that's held my interest for more than a few pages. I like books that keep a good pace and are based firmly in reality. Science Fiction has never done anything me. If it's not actually possible, I don't care. You know of anything like that?

Do I ever! I've got two words that will change your reading habits forever: Dan Brown. If you don't recognize the name, where the hell have you been the last year? Each of his 4 books have been on the NYTimes Bestsellers list, and currently sit at the top of my all time favorites list. His most notable work is The DaVinci Code (read the book, skip the movie), but he's also written Angels & Demons, and the totally awesome novel Deception Point. I've read all of his work and each one was a page turner from start to finish. The story is always a seamless mix of fact and fiction, so seamless in fact that I find myself looking up certain facts from his books to see if they are true. He deals with everything from election year politics to scandal in the highest office of the Catholic Church. All of his work is must read and I promise that you'll find yourself reading into the early hours of the morning if you pick up Deception Point. So um...what are you waiting for?

**4** What's the deal with Raz B? I saw an article on him in the last issue of FlavaLife, and I caught the concert they were talking about. Now, I hear he's going to be playing a character on Noah's Ark, yet the boy still claims he isn't gay. What's up with that?

As far as I know, which is pretty far, Raz B is off limits for all you guys out there. His recent appearances in the gay community are nothing more than a show of support. Some people ask why he's possibly putting his career at risk, and those people are idiots. With his sunny disposition, knock out good looks and those beautiful DSLs, what better way to increase your waning star power than taking off your shirt at Gay Pride or playing a gay character on Noah's Ark, which airs on a gay oriented channel?
